Application Process:

Only fully completed application forms will be considered for approval.

Additional Requirements for outdoor vendors:

Electrical Safety Authority permit required if using a generator greater than 13,000 watts. www.esasafe.com

Propane inspection certificate required that complies with Provincial/County health regulations.

All food vendors must provide proof of permit with the Simcoe Muskoka District Health Unit in order to receive application approval.

<https://www.simcoemuskokahealth.org/>

(SMDHU will review their permit listings and conduct spot inspections on site)

Registering with the Health Unit in advance is extremely important to ensure you receive approval from the inspector.
